Norah Khamuye

Founder & CEO, [Gotabet Nurseries Ltd.](#)

Kenya

Norah Khamuye is the Founder, CEO of Gotabet Nurseries Ltd. Other than being a founder, she is in charge of spare-heading the company's operations. Norah is a Bachelor of Commerce, Finance graduate of Masinde Muliro University of Science and Technology and a Certified Monitoring and Evaluation Professional of the Kenya Institute of Management. She has over 5 years' experience in Finance and Business Development with various institutions. Some of the institutions she has worked with are Equity Bank, Faulu Microfinance and Premier Credit Microfinance. She has gained a lot of experience working for these institutions and the reason why she co-founded Gotabet Nurseries Ltd to expedite her resourcefulness in a business that makes more meaning to her. She has also won various Awards and Nominations some of which include Covid-19 Resilience and Recovery-Mentor of the year Award, from the Kenya Private Sector Alliance, a nominee of the Global Startup Awards-East African Level among others.

Gotabet Nurseries Ltd.

Is a dynamic agribusiness venture specializing in the propagation of high-quality seedlings, including macadamia, Hass avocado, and key apple. The company also processes macadamia and groundnuts and provides technical support to farmers on agribusiness practices and climate change adaptation. Serving a diverse customer base of farmers, households, retailers, and supermarkets, Gotabet Nurseries is committed to innovation and sustainability. With plans to expand into macadamia oil and butter production and target larger retailers and export markets, the company is poised for growth in the next three years.
